

CV for Kim Weiss-Poulsen

Introduction

Web and security consultant with a wide range of skills. IBM Certified Solution Developer in Visual Age and WebSphere, with certifications in Java, Visual Age for Java, OOAD/UML and WebSphere Application Server. Latest acquired Interwoven Teamsite Certification at a boot camp in Munich. Ongoing CISSP knowledge gathering for eventually CISSP certification

Projects ranging from setting up servers, programming and system development with focus on the entire process from analysis / design to implementation and test, supplemented by implementation of CMS systems. (Interwoven and Tridion) and portals (IBM and CA).

Has attended various IBM courses: OOAD with UML, Visual Age and a whole range of WebSphere courses: Everyplace Suite, Application Server, Commerce Suite, Studio Application Developer and IBM WebSphere Portal Server.

Present occupation: Independent software consultant – primary projects and customers: IBM Nordic, Nordic Processor, IBM BeNeLux: Tasks within security checking (TSCM, SecAudit, other tools, manual, process etc.), development and documentation, team lead, project management and process coordination.

Projects within banking and IT (security), medical industry (consulting, system development), telecom, business marketing management, J2ME development and more.

- 6 years international consultancy as company owner (Weiss-Poulsen.dk)
- 6 years with IBM processes and tools within security - EMEA (Health Checking, TSCM and related)
- 2 years experience within new business development (Tislet – non IT related)
- 3 years international experience as consultant for Corebit / IconMedialab
- 3 years as team lead / process coordinator / Deputy project manager
- 1 year as Web-Consultant for insurance company (usability architect) and Information Worker for a community
- More than 15 years of experience with PC (HW+SW), various applications and OS'. (Support and setup/configuration for private and various minor companies, mostly Wintel platform)
- Master Degree in Communication and Computer Science

Available for new projects expected 1. January 2010

Personal information

Date of CV	November 10. 2009	
Name	Kim Weiss-Poulsen	
Address	Hasselvang 9	
Zip-code	DK-2660	
City	Brøndby Strand	
Country	Denmark	
Phone	+45 40 90 49 02	
E-mail	kim@weiss-poulsen.dk	
Web site	www.weiss-poulsen.dk	
Birthday	8. April 1972	
Nationality	Danish	
Status / children	Cohabited / 1	
Car	Drivers license and own car	
Personal abilities	Responsible, initiative, analytical, logic, humorous	
Main sparetime interest	Miniature Harness Racing (ponytrav)	
References	Given at request	

Functional experience			
Function	Level	Years experience	Latest use
Software Developer	Advanced	8	2008
Technical Project Manager	Advanced	6	2009
Project manager	Intermediate	3	2008
Technical Architect	Advanced	5	2006
Support	Expert	15+	2009
HW / SW server configuration	Expert	15+	2009
Security consultant	Advanced	8	2009

Employment		
Period(m/y)	Place	Function
09/03 – present	Weiss-Poulsen.dk	Software developer, consultancy, security checks, teaching, company owner, security specialist
05/06 - present	www.tislet.dk	Commercializing of product to consumers, webdesign and backend, sales, promotion, investor
04/08 – 04/09	Source Contracting, Netherlands	Subcontracting IBM, Health Check Consultant ITSEC NL
09/00 – 08/03 (bankrupt)	Corebit Consulting / IconMedialab	Software developer, web consultant, server configuration, consultancy – portals and CMS (IBM WebSphere Portal, Tridion, Interwoven), test, security, documentation etc.
09/97 – 12/97	Topdanmark (insurance)	Web consultant strategy and usability (data collection for master thesis)
02/97 – 05/97	Hillerød Kommune (community)	Informationworker (Web as main focus)

2003	3 days	Tridion Technical Training	IconMedialab, Copenhagen
2002	1 day	Qualification for Installation at Lundbeck	Lundbeck, Valby, Denmark
2002	14 days	Interwoven Teamsite v.5.5 Bootcamp	Munich, Germany
2002	1 day	Computer Associates, CleverPath Portal Workshop	Computer Associates, Denmark
2002	3 days	IBM WebSphere Portal Server v. 4.0	IBM Denmark, Lyngby
2001	3 days	IBM WebSphere Portal Server v. 2.1	IBM Denmark, Lyngby
2001	3 days	IBM WebSphere Application Server (v. 4.0), Advanced and Single Server edition	IconMedialab, Copenhagen
2001	2 days	IBM Technical workshop: WebSphere Commerce Suite 5.1	IBM Denmark, Lyngby
2000	5 days	WebSphere Application Server and Studio	IBM Denmark, Lyngby
2000	5 days	Object Orientated analysis and design	Corebit, Næsseslottet, Holte (IBM instructor)

2000	5 days	IBM Visual Age for Java	IBM Denmark, Lyngby
2000	3 days	Fast Track to Java	Corebit, Næsseslottet, Holte, Denmark

Projects (latest and ongoing highlighted)				
Place / customer	Period (mm/yy)	Description	Technologies	Role in project
Remote working (from DK) / IBM Netherlands	04/09 - ongoing	Perform Health Check for BE and NL customers, process and tools improvements	TSCM, Cirats, GSD331, ITCS104, ECM / Screen, Compliance Database, Lotus Notes	Performing Health Checks, teaching, project improvements, management status reports
IBM Netherlands	04/08 – 04/09	Health Checking end to end for ITSEC NL – 4000 servers. Outsourcing customers and Delta Lloyd	TSCM, Cirats, GSD331, ITCS104, ECM / Screen, Compliance Database, Lotus Notes	Performing Health Checks, teaching, project improvements, management status reports
Hillerød / ATP	11/07 – 04/08	Implementing and maintaining NAFS (New Administrative Common System) containing all companies and citizens in Denmark	Rational Application Developer v. 6.0, DB2, WebSphere Appl. Server, Clearcase, Java, SQL, XML, Spring Framework	Support, maintenance, software development, consulting
Stockholm, IBM / Nordic Processor / Nordea	05/07 – 11/07	Implement Network Controls process – software and hardware	IBM EOP process, firewalls, routers, mail gateways etc.	Competence Process Analyst (CPA – an art sub project manager within EOP framework)
Stockholm, IBM / Nordic Processor / Nordea	04/07 – 11/07 (6 month contract prolonged)	Security Baseline for applications – 4000 servers, 10.000+ applications	Nordic SCR, HCA, MS SQL, IIS, DB2, Apache, Domino	Technical project manager, subject matter expert, teacher, coordinator
Weiss-Poulsen.dk	05/06 – ongoing	New business development part time. www.tislet.dk	Product development (not IT related), business plans, business consulting	Managing Director, business consultant, IT responsible, sales b2b, web backend
Stockholm, IBM / Nordic Processor / Nordea	01/06 – 03/07 (6 month contract prolonged)	Health Check process implementation	Tivoli Security Compliance Manager (TSCM), Various security baseline tools and scripts, EOP process within IBM, Screen, USC, Nordic HCA	Team leader, process coordinator, teacher, security specialist, Competence Process Analyst, Deputy Project Manager
Stockholm, IBM / Nordic Processor / Nordea	02/05 – 12/05 (6 month contract prolonged)	Security Baseline of more than 10.000 devices all over Nordic and Baltic region	HC-tools for windows, unix and network, SCM, SCR, E-Esm, Access, Excel, MS-Project, Windows (all server versions), Citrix, IIS, Terminal Services	Technical project leader / Team leader / focal point, coordinator, architect, security specialist
Egevang, Hansen & Co. / Mission Pharma	07/04 – 02/05	Technical writing / estimates, consulting for Mission Pharma, design and implementation of Oracle Portal / CMS solution with backend integration.	CMS systems consulting, req. spec. writing, XAL, Oracle Application Server, Oracle Portal, Oracle CMS	Technical consultant technical architecture, programming

IBM / Pro Data Consult / EDB-gruppen / Finnair (Copenhagen / Helsinki)	09/03 – 12/04 (3 month contract prolonged four periods)	Nordic Health Check within IBM (including "Big 5" customers Nordic wise)	Windows NT, 2000, 2003 Server, Microsoft IIS, IBM HTTP Server, Microsoft SQL Server, Exchange, Citrix, Terminal Services, Symantec ESM, Carbon Copy, Secaudit / SCR server, DB2, WebSphere, Health Check Monitor Database.	Server check and automation of health check process. In touch with more than 1000 servers regarding security and system administration on Windows platform. Programming, datahandling and -mining, teaching, documentation
Danisco	04/04 – 07/04	WebSphere support	WebSphere Application server 4.0.x, WPS, Apache	Support, counselling, tutoring
Egevang, Hansen & Co	11/03 – 05/04	Technical advisor for Nycomed	Architecture, hosting, MS CMS, Sharepoint portal	Writer of requirement specification
Egevang & Co.	12/03	Writer of technical specifications	Web strategy, documentation	Technical advisor
IconMedialab	08/03	Test and functionality description – internal time registration	Documentation, ASP	Tester, documentation writer
TDC Mobil	08/03	Download of services to cell phones	Java, JSP, servlets, MVC-framework, Visual Age for Java, WebSphere Test Environment, Tomcat, XML, DOM	System architect, programmer
Chr. Hansen	07/03	Quarterly newsletter at www.chr-hansen.com	Java, WebSphere	System designer / programmer, deployment, installation
IconMedialab / TDC / Københavns Fondsbørs	05/03 – 07/03	OCES digital signature	OCES, PKI, VB, VBA	Consultancy
IconMedialab	05/03 – 06/03	Shopping portal, Royal Copenhagen (Royal Wedding)	Java, Visual Age for Java, WebSphere Test Environment, Tomcat, DB2, MS SQL Server	Technical Project Manager, system architect, database designer, programmer
DONG	05/03 – 06/03	Tridion - setup and implementation of www.dong.dk	Tridion R5, Visual Basic, Oracle Portal	Programmer, CMS configuration, CMS development
IconMedialab	04/03	Tridion – internal training	Tridion	Student
Lundbeck	04/03	Security fix up for www.depnet.dk	Web security, XSS, SQL injections, ASP	Security consultant, programmer
IconMedialab	03/03	Internal evaluation of process	Workshop	Writer, evaluator
DONG	11/02 – 02/03	Requirement specification for www.dong.dk	Technical writing	Analysis of customer needs
TDC TeleDanmark	01/03	Campaign control system at www.tdc.dk	Java, Oracle 8.1, JDBC, Tomcat	Error corrections, programmer
Chr. Hansen	11/02	Annual Rapport	WebSphere, Java	System designer / programmer, deployment, installation
Lundbeck	10/02 – 12/02	Internationalization of www.depnet.dk for deployment in 22 countries.	Interwoven Teamsite, UTF-8, Java, ASP, VB	Programmer, consultant, Installation Qualification (IQ) writer, installation, deployment
Lundbeck	10/02	Upgrading of Teamsite	Interwoven Teamsite	IQ writer, test, test-installation, installation
Kilroy Travels	09/02	Server configuration – Solaris	Solaris, Sybase, ATG Dynamo	Configuration and installation
Chr. Hansen	06/02 – 09/02	Digital Insight newsletter navigation module	JSP, Java	Technical architect, programmer
Siemens / Computer Associates	05/02	News flash portlet	CA Cleverpath Portal, Java, JavaScript	Programmer, Technical designer

IconMedialab	04/02 – 05/02	Various technological strategic work	None	Strategic planning
Kilroy Travels	02/02 – 03/02	Car renting module for www.kilroytravels.dk	ATG Dynamo, DHTML, JSP, Java	Programmer
IconMedialab	11/01 – 01/02	CMS questionnaire part of CMS consulting service	XML, XSLT, Resin, JSP, servlets, Java	Programmer, Technical Project Manager
IconMedialab, Tampere, Finland	06/01 – 10/01	Development and configuration of CMS	Vignette, WebSphere, Java, JSP, servlets, Oracle, Sybase	architect, designer, programmer
IconMedialab	05/01	Porting of various applications to WebSphere	WebSphere, Tomcat, Resin, Java, Informix, DB2, Visual Age	Programmer
Nestle	03/01 – 05/01	Refactoring and administration module for www.nescard.dk	Java, JSP, JavaScript, Resin, MySQL, JDBC	Programmer
Telia / Oracle	02/01	Internal Clearing House, number portability	Java, MQ, XML, Oracle	Programmer
IconMedialab	01/01	Installation / configuration of WebSphere Everyplace Suite	WebSphere Everyplace Suite, WebSphere Appl. Server, IBM HTTP server	Technical implementer

Technology Skills – level definitions

Level	Description
Basic	Basic knowledge but no real experience
Intermediate	Knowledge and fair working experience from one or more projects
Advanced	Good work experience from several projects and able to teach others in this product
Expert	Good working experience, able to teach others. Considered an expert by others within the company or by customers

Theory & Notation

Product	Level	Years / Projects	Last used
Data Modeling Theory	Intermediate	4 / a couple	2008
Object Oriented Analysis	Advanced	7 / several	2008
Object Orientated Design	Advanced	7 / several	2008
Security Architecture Theory	Advanced	4	2009
Software Architecture Theory	Advanced	7 / several	2008
Testing	Advanced	7 / several	2008
UML	Intermediate	2 / a couple	2002
Use Case Analysis	Advanced	2 / a couple	2003

Programming & Script languages

Product	Level	Years / Projects	Last used
General Programming Skills	Advanced	10+ / several	2008
HTML	Advanced	10+ / several	2008
Java	Expert	7 / several / Certified Programmer	2008
Java Script	Intermediate	3 / several	2007
Java2 Micro Edition	Intermediate	2	2005
SQL	Advanced	10 / several	2009

DHTML (ATG Dynamo)	Intermediate	1 / 1	2002
J2EE (Enterprise Java Beans)	Intermediate	2	2004
JSP / Servlets	Advanced	6 / several / certified	2005
XML / XSLT	Intermediate	4 / a couple	2008
.Net	Basic		2003
Visual Basic / VBScript	Intermediate	1 / a couple	2003
ASP	Intermediate	2 / a couple	2003
PHP	Basic	2	2008
C#	Intermediate	1	2009

OS/Platforms (for operation)

Product	Level	Years / Projects	Last used
General platform skills	Advanced	10+	2009
LINUX in general	Intermediate	2 / superuser	2006
UNIX in general	Intermediate	2/ superuser	2003
Solaris	Basic	2/ superuser	2003
AIX	Basic	2 / at user level	2004
DOS / Windows 3.x / 9x / XP / Vista / 7 RC x64	Expert	10+ / Administrator	2009
Windows NT Server / 2000 Server / 2003 Server	Expert	8 / Administrator	2009

Web Servers / Application Servers

Product	Level	Years / Projects	Last used
General Web Server skills	Intermediate	3 / several	2008
Apache	Intermediate	3	2006
IBM HTTP Server	Intermediate	4	2008
General Application Server Skills (Java / JSP etc.)	Advanced	6 / several	2008
ATG Dynamo	Intermediate	1 / 1	2002
BEA	Intermediate	1	2004
IBM WebSphere Application Server (3.0 / 3.5 std. / 4.0 adv. Sse / 5.0 / 6.0 / 6.1)	Advanced	7 / several	2008
Caucho Resin	Advanced	3 / a couple	2004
Microsoft Internet Information Server	Advanced	3 / several	2007

Commerce Platforms / CMS / Portals / Wireless

Product	Level	Years / Projects	Last used
General Portal / CMS Skills	Advanced	4 / several	2005
IBM WebSphere Portal Server	Basic	Course knowledge	2003
Computer Associates Cleverpath Portal	Intermediate	1	2002
Vignette	Intermediate	1 / 1	2001
IBM WebSphere Commerce Suite	Basic	Course knowledge	2002
IBM WebSphere Everyplace Suite (1.1, AIX)	Basic	1 / 1	2001
Interwoven Teamsite	Advanced	2 / several / certified	2008
Tridion R4 and R5	Intermediate	1 / 1	2003

Oracle Application Server	Intermediate	1 / 1	2005
---------------------------	--------------	-------	------

Development Tools

Product	Level	Years / Projects	Last used
CVS / WinCVS	Intermediate	2 / several	2002
Rational Clearcase	Basic	2	2008
IBM Visual Age for Java (3.0 – 4.0)	Advanced	3 / several / certified	2004
Eclipse / WSAD / RAD	Advanced	4	2008
Visio	Intermediate	3 / several	2008
Netbeans	Basic	1	2005
Microsoft Visual Studio 2005 / 2008	Intermediate	2	2009

Database Systems & Directory Services

Product	Level	Years / Projects	Last used
General Database and Directory skills	Intermediate	6 / several	2004
DB2	Intermediate	5 / several	2009
Oracle	Intermediate	4 / several	2005
MS SQL server	Intermediate	3 / a couple	2005
MySQL	Intermediate	4 / a couple	2009
Sybase	Intermediate	3 / several	2003
MS Access	Intermediate	1	2005

Security

Product	Level	Years / Projects	Last used
Authentication Techniques	Basic	1	2004
Crypto products	Intermediate	4	2005
Cryptology	Advanced	5 / able to teach	2007
Public Key Infrastructure	Advanced	5 / able to teach	2007
PKI products	Intermediate		2004
UNIX security	Intermediate	5	2009
Windows security	Expert	6	2009
Symantic Enterprise Security Manager	Expert	2	2004
Secaudit (SCR factory / extractor) – IBM tool	Expert	4	2007
Tivoli Security Compliance Manager (SCM)	Expert	3	2009
Health Checking / ISCD / GSD331 / ITCS104 / ISEC	Expert	5 / able to teach	2009
